Hong Kong Scholarships FAQ

Am I eligible for the Hong Kong Scholarships?

Applications are open to Hong Kong permanent residents who do not hold citizenship in another country outside Hong Kong and have completed or are in the process of completing their secondary school studies (HKDSE or equivalent).

Who is eligible for financial support?

Hong Kong scholarships are intended for students whose families can provide some, but not all, funding for an overseas education.

What makes a successful applicant?

Successful applicants in the past have shown strong academic results, personal initiative and community leadership, and a genuine interest in living abroad.

What academic requirements will I need to be eligible?

- For students completing a Hong Kong Diploma of Secondary Education (HKDSE) – the completed diploma, including at least two elective subjects from categories A and/or C.
- For students completing an International Baccalaureate (IB) – the completed diploma including English HL or SL.
- For other educational systems, including AP and GCE, please visit: www.future.utoronto.ca/apply/requirements

If English is not your first language, you may be required to present proof of your English facility. U of T accepts a variety of International English language tests and qualifications. For more details, please visit: <https://future.utoronto.ca/apply/english-language-requirements/>

DISCOVER A WORLD OF OPPORTUNITY

Apply for a Hong Kong Scholarship and come to the University of Toronto

Christy Chan (Hong Kong Scholar 2011) and her mother.

“My time at U of T has been incredibly fruitful. I have had the chance to make many good friends from different cultural backgrounds, and have the invaluable opportunity to meet with other scholars, unforgettable experiences started with a Hong Kong Scholarship.”

Nicholas Yip
Mechanical Engineering, Hong Kong Scholar 2013

The U of T (Hong Kong) Foundation

The University of Toronto (Hong Kong) Foundation was founded in 1995.

Over the past 25 years, it has awarded scholarships to more than 80 exceptional Hong Kong students, providing them a life-changing experience and fulfilling their dream of studying at one of world's best universities.

Two thirds of our Hong Kong Scholars go on to post-graduate degrees, and they live and work in nations such as Canada, the United States, United Kingdom, New Zealand, South Africa, mainland China

and Hong Kong, and work across a range of professions as market analysts, paediatric researchers, public prosecutors, programmers, investment associates, city planners, government economists and more.

Applying for a scholarship is simple and starts with an online form. Applicants are automatically considered for all Hong Kong Scholarships, and candidates will be guided through the application process to enter the program of their choice at the University of Toronto.

59% of graduates have pursued post graduate degrees.

Scholars work in **11** different professional fields.

Scholars live and work in **15** countries.

The University of Toronto

Founded in 1872, the University of Toronto is one of the world's leading research universities—the Times Higher Education World University Rankings, QS World University Rankings and U.S. News & World Report Best Global Universities Rankings rate U of T in the top echelon internationally.

U of T students can choose to study at one of the three campuses in the Toronto area, and enjoy access to exceptional academic resources and Canada's widest

range of undergraduate programs in the social sciences, commerce, engineering, humanities, music, kinesiology, sciences and more.

Links between U of T and Hong Kong date back more than a century. Today, an estimated 10,000 U of T graduates live in Hong Kong, many of whom are successful leaders making an impact on the business and finance, medical, legal and public sectors.

One of 5 universities to rank in the **top 30** in **11 key fields**.

Top 15 in the world in graduate employability.

Toronto ranked among **top 3** cities in the world.
